## Creating Opportunities with Students from Cristo Rey Brooklyn High School

Cristo Rey Brooklyn is a Catholic high school educating young people of limited economic means to become men and women of purpose and service. A unique component of their enrollment is a corporate work study program, enabling them to receive a private college prep education while gaining invaluable real world experience. Students earn up to 50% of their tuition and learn the values of hard work, responsibility and ambition.

Fischer Travel just completed our first year as a work study partner with two students from Cristo Rey. Senior Aissatu and Junior Marion work in Research and Accounting. They've been a wonderful addition to our team.
