

2024-2025 Faculty Opening: PHYSICS

Start Date: July 2024

Courses Include: Physics + Elective

Our School:

Cristo Rey Brooklyn is a Catholic high school partnering with families of all creeds to educate deserving young people from underserved communities to become men and women of faith, purpose and service. By integrating a rigorous curriculum, a unique work-study experience and the support of an inclusive school community, we enable students to succeed in college and beyond with the values essential to a fulfilling life.

It is our vision to be considered one of the best high schools in New York as measured by academic growth and achievement, graduation rates and college success. Cristo Rey Brooklyn High School alumni will be recognized as lifelong learners, inspirational community and professional leaders, and committed to a purpose beyond self.

The Position:

The Physics teacher will be assigned four sections of Physics and one elective course. The teacher will work alongside other Math and Science teachers within our school's STEM Department.

The first day of the school year for faculty is Tuesday, August 20, 2024. New teachers are expected to attend a summer training in Chicago from July 24-July 26. Expenses for this training are covered by the school.

Requirements:

- Bachelor's Degree in Science or Secondary Science Education is required
- Master's Degree in Secondary Science Education is preferred but not required
- Prior successful full-time teaching experience in grades 7-12 is strongly preferred
- Able to use technology to further student learning (i.e. Google Classroom, Zoom, PowerSchool)
- Prior experience in Cristo Rey schools, Teach for America, Alliance for Catholic Education, or NativityMiguel schools is a plus.

Compensation and Benefits:

Starting salary is \$62,500; the exact amount is commensurate with experience and benchmarked with our peer local and Cristo Rey Network schools. Comprehensive benefits are included in the overall compensation package.
