Member News

All NYC Safety & Training is offering NYBC members a 20 percent discount on any course at their Brooklyn facility, valid through March 1, 2019 with code **NYBC-ALLNYC**

All NYC Safety & Training is a leader in safety training and consulting for New York City's

construction industry. They are accredited by IACET (International Association for Continuing Education and Training), approved by the NYC Department of Buildings and authorized by OSHA.

Member News

NYBC Board Member **Terrence E. O'Neal, FAIA**, Managing Principal of **Terrence O'Neal Architect LLC**, received "**The Kideney Gold Medal Award**" for years of AIA and community leadership.

Kideney Gold Medal recipients demonstrate a lifetime commitment to making the community a better place in which to live and take a leadership role in the profession and the professional society at the local, state or national level.

Member News

Cristo Rey Brooklyn's Corporate Work Study Program enables students to earn up to half of the cost of their college preparatory education while gaining valuable real-world experience through immersion in entry-level positions at leading corporations and non-profits.

As part of the program, each Cristo Rey student comes from limited economic means and works one full day per week at offices throughout New York City during the school year.

Thornton Tomasetti, the international engineering firm, announces that **Daniel Stauthamer has joined as chief human resources officer**. Mr. Stauthamer brings more than 15 years of human resources experience in the engineering and construction industry in the U.S. and internationally.

Based in the firm's New York, Madison Avenue office, Mr. Stauthamer will lead Thornton Tomasetti's human resources team and the development of an HR strategy that enables business growth. He is responsible for such areas as talent acquisition and retention, employee experience, inclusion and diversity and organizational development.

Member News

Paresh Patel, PE, has joined [HNTB Corporation](#) as project director in the firm's New York transit/rail practice and associate vice president. Based in the firm's Empire State Building offices, he has more than 30 years of diverse transit design and construction experience with New York City Transit (NYCT).

Mr. Patel's NYCT career includes serving as program officer, leading a \$1.36 billion series of communications-based train control and signaling system projects that included project management and construction management as well as overall system integration. His experience also includes the \$225 million rehabilitation of the NYCT's Montague tube, a recovery and resiliency project to repair damage caused by Superstorm Sandy.
